

WNY REGIONAL SCIENCE AND ENGINEERING FAIR

MARCH 23, 2019
D'Youville College, Buffalo

What is WNYRSEF?

- STEM competition in which students demonstrate the scientific method
- Open to grades 5 -12 from five WNY counties (Erie, Niagara, Orleans, Genesee, and Wyoming)
- Grand/Advancement Awards, Monetary Awards, and Special Awards for student projects that qualify and meet the criteria for selection.
- Includes students who are enrolled in public or private schools, students who are home-schooled, and those involved in organizations outside of the traditional school setting (Boys/Girls Clubs, Boy/Girl Scouts, etc)
- An event-filled day powered by a Distinguished Scientist, mini-workshops, public viewing of projects, and the Awards Ceremony
- Judges for the projects are from many walks of life. Elementary and Middle school teachers usually judge grades 5-6. A mixture of teachers, scientists, and engineers judge grades 7-12.
- A chance for schools to win a monetary award for the greatest number of student participants

*\$2000 to Transit Middle School
Greatest Student Participation*
